

23 February 2017

Dear local resident and/or business owner,

SHORT TERM BUS STOP RELOCATION & PARKING RESTRICTIONS

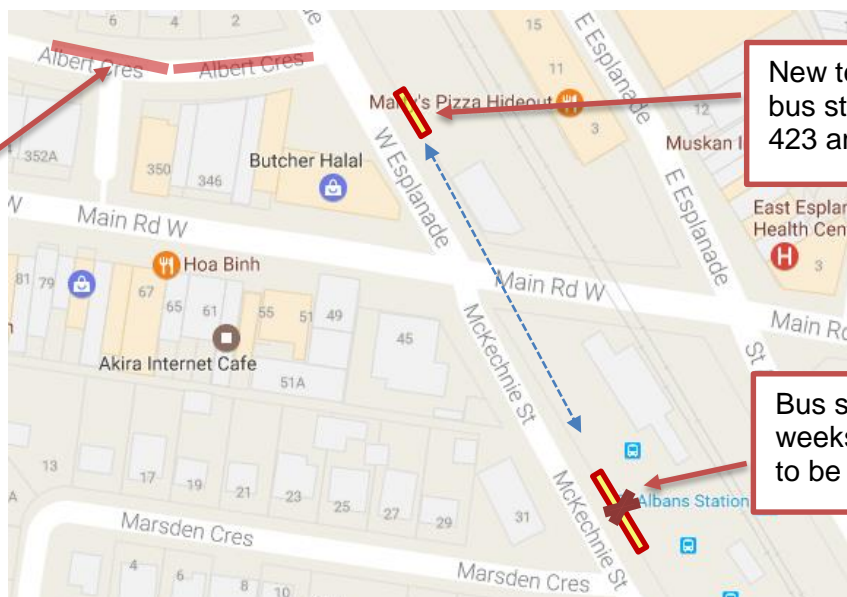

From Monday 27 February, 2017 the bus stop at McKechnie Street/St Albans Station will temporarily relocate to the top of West Esplanade (70m north from current location on McKechnie Street) for 6 weeks.

This is required to allow road, kerb, pavement and asphaltting works to take place next to the new St Albans Station.

To ensure buses can access the temporary bus stop, Albert Crescent must become a 24 hour no parking zone for the six week period.

We appreciate your patience as we work toward completion of this important project by mid-2017. If you have any concerns or questions please contact us on the number below.

Please note this work may be rescheduled in the event of bad weather or other unavoidable circumstances. If you have any concerns or questions please contact us on the number below.

No parking
zone (6 weeks)

New temporary
bus stop for
423 and 425

Bus stop closed for 6
weeks to allow for works
to be completed.

Yours sincerely,

Furlong and Main Road Level Crossing Removal Project Team
