

With trains running on the elevated structure, works can continue on creating over eight hectares of open space at Noble Park

LEVEL CROSSING REMOVAL UPDATE

CORRIGAN, HEATHERTON
AND CHANDLER ROADS
NOBLE PARK
APRIL 2018

Building the new walking & cycling path

Works are completed to remove dangerous and congested level crossings at Corrigan, Heatherton and Chandler roads. Noble Park Station is now operational as works continue on the brand new station.

Works are full steam ahead to create over eight hectares of new community open space at Noble Park. Our project team has poured the first section of the new shared use path (SUP).

Once complete, the path will create 17 kilometres of walking/cycling path, from Caulfield to the EastLink Trail.

We have been working hard to lay the foundations for the two remaining ground level buildings at Noble Park Station. We have also removed the old tracks from Corrigan Road level crossing and installed new lights at the Corrigan/Lightwood Road intersection.

Over the next month, we will continue construction of the open space and remove all traces of the Corrigan Road level crossing.

Road works on Heatherton and Chandler Road level crossings will see the removal of the old tracks and road reconstruction.

We will continue construction of the open space and remove all traces of the Corrigan Road level crossing.

Upcoming disruptions

Thank you for your patience as we continue works. The sooner we get this done, the sooner you will be on your way. Please make sure you plan your journey in advance by using the PTV journey planner.

Rail

Buses will replace trains on sections of the Cranbourne and Pakenham lines at different times in late April.

For journey planning and service information, visit ptv.vic.gov.au or call **1800 800 007**.

Road

Douglas Street, Noble Park

There will be traffic management (across from Arnold Street) throughout April. Two-way traffic will be maintained.

Mons Parade, Noble Park

There will be intermittent closures between Heatherton Road and Ian Street, from 7am to 6pm daily, until late April. On-street car parking on Ian Street may be affected at times. Traffic will detour via Ian Street.

All dates and times are subject to change.

For further information and updates about traffic changes, visit levelcrossings.vic.gov.au/disruptions or call **1800 105 105**.
